

Group-Site Membership

APICS offers group-site membership to companies and their employees. A group-site membership enables five employees from the same company location to have full membership privileges, including full online access, member publications, and discounts on APICS products and services. Employees from the member company may also order products at the discounted membership rate using a designated company billing number.

How Group-Site Membership Works

The components of group-site membership are:

Company Voting (CV) employees (APICS members): CVs receive all society and chapter mailings and have full membership privileges.

Company Associate (CA) employees (non-APICS members): Through the group-site membership, nonmember employees may order materials at the discounted rate. These employees do not receive mailings, membership privileges, or access to members-only content on the APICS Web site.

Company Group Billing (CB) contact (non-APICS member company contact): This record is created for the sole purpose of monitoring group activity. All billing and membership renewal information is sent through this record. This contact can be one of the CV employees.

Transfers: Because the company and not the individual retains the membership, the five CV memberships can be changed to other employees at any time. Corporate membership changes must be made in writing via company email or on company letterhead, including the addition and removal of members, as well as changes to company name and address. Company transfers may be submitted in writing by

E-mail: service@apicshq.org

Fax: (703) 354-8768

Mail: Attn: Corporate Updates; APICS Customer Support; 5301 Shawnee Rd; Alexandria, VA 22312-2317

To add a person to the group-site membership, please provide the following details about the person being added: Company ID, Company Name, Corporate Billing Contact Name, Contact Information (phone or email), APICS ID or APICS Member Number (if applicable), Full Name, Job Title, E-Mail, Work Phone, Fax, Member Status: Company Voting (APICS Member) or Company Associate (non-APICS member). For Identification Purposes (optional): Date of Birth, Last 4 Digits of Social Security Number, Male or Female.

To remove a person from the company membership, please provide the following information in addition to the above:

Member status: No longer with company/remove from membership, or change to company associate (Non-APICS member).

Group-Site Membership Dues

When a company joins APICS, it must do so at both the society and chapter levels. Society dues are \$600 annually and chapter dues vary. Please see the Chapter Locator section on the next page of this application to find the appropriate chapter dues.

APICS Chapter Locator

APICS has a network of more than 270 chapters across North America. Chapter names and dues amounts are listed below. To join the chapter nearest you, indicate your selection (chapter name and dues amount) in the dues section on the last page of this application. If you are not certain about which chapter to join, please contact APICS Customer Support at (800) 444-APICS (2742) or (703) 354-8851 or e-mail service@apicshq.org.
(Chapters and chapter dues amounts are subject to change without notice.)

APICS. Lifelong Learning for Lifetime Success®

APICS is a not-for-profit international educational organization respected throughout the world for its educational and professional certification programs. With nearly 60,000 individual and corporate members in 20,000 companies worldwide, APICS is dedicated to using education to improve the business bottom line.

APICS is recognized globally as

- the source of knowledge and expertise for manufacturing and service industries across the entire supply chain in such areas as materials management, information services, purchasing, and quality
- the leading provider of high-quality, cutting-edge educational programs that advance organizational success in a changing, competitive marketplace
- a successful developer of two internationally recognized certification programs, Certified in Production and Inventory Management (CPIM) and Certified in Integrated Resource Management (CIRM)
- a distribution center for hundreds of business management publications and educational materials
- a source of solutions, support, and networking through local chapters, workshops, and the annual APICS International Conference and Exposition.

Please print or type all sections.
